IFB012DPPT16(S)

- (b) If at any time during the performance of a contract, hereunder issued, there is an increase or decrease in the contractor's purchased price of any of the items herein, the Contractor shall notify the Commissioner of Property and Procurement thereof within fifteen (15) working days of such increase or decrease. Such notice shall include data, (ii) the amount, both of the increase or decrease, and (iii) the Contractor's proposal for price adjustment.
- (c) Promptly upon receipt of any notice and data described in (a) above, the Contractor and the Commissioner shall negotiate a price adjustment in the contract unit price for the items involved, delivered, and accepted.

- (e) If at any time after the date of any contract, issued hereunder, the Contractor makes a general price reduction in the comparable price of any article or service covered by this contract to customers generally, an equivalent price reduction, based on similar quantities and/or consideration shall apply to the contract for the duration of the contract period (or until the price is further adjusted). Such price reduction shall be effective at the time and in the same manner as the reduction in the price to customers generally.

EVALUATION OF PRICE ESCALATION:

- (a) Where an Invitation for Bids does not contain a price escalation clause, bids received which quote a price and contain a price escalation provision, with a ceiling (usually expressed in terms of a maximum percentage increase) above which the price will not escalate, will be evaluated on the maximum possible escalation of the quoted base price.
- (b) Where an Invitation for Bids contains a price escalation clause and no bidder takes advantage of the escalation provisions, bids shall be evaluated on the basis of the quoted prices without the allowable escalation being added. Where a bidder deletes the escalation clause from his bid, the bid will be rejected as non-responsive.

BILLING UNDER ESCALATION CLAUSE:

Billings containing increased unit prices alleged to be in accordance with the escalation clause hereunder shall be accompanied with either:

- (i) a copy of the invoice from the Contractor's mainland supplier; or
- (ii) copy of published Price List of such mainland supplier.

For purposes hereof a "Price List" shall be a catalog, price list, schedule or other form that (a) is regularly maintained by the mainland supplier, (b) is either published or otherwise available for inspection by customers generally and (c) states prices at which sales are currently or were last made to a significant number of buyers constituting the general public.

A "Manufacturer Listed Price" is a current price, established in the usual and ordinary course of trade between buyers and sellers free to bargain, which can be substantiated from sources independent of the manufacturer or vendor.

BRAND NAME OR EQUAL

(As used in this herein, the term "brand name" includes identification of products by make and model).

- (a) If items called for by this Invitation for Bids have been identified in the schedule by a "brand name or equal" description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory. Bids offering "equal" products will be considered for award if such products are clearly identified in the bids and are determined by the Government to be equal in all material respects to the brand name products referenced in the Invitation for Bids.
- (b) Unless the bidder clearly indicated in his bid that he is offering an "equal" product, his bid will be considered as offering a brand name product referenced in the Invitation for Bids.
- (c) (1) If the bidder proposes to furnish an "equal" product, the brand name, if any, of the product to be furnished shall be inserted in the space provided in the Invitation for Bids, or such product shall be otherwise clearly identified in the bid. The evaluation of bids and the determination as to quality of the product shall be the responsibility of the Government and will be based on information furnished by the bidder or identified in his bid as well as other information reasonably available to the Department of Property and Procurement. Caution to Bidders: The Department of Property and Procurement is not responsible for locating or securing any information which is not identified in the bid and reasonably available to the Department. Accordingly, to insure that sufficient information is available, the bidder must furnish as a part of his bid, all descriptive material (such as cuts, illustrations, drawings, or other information) necessary for the Department of Property and Procurement to (i) determine whether the product offered meets the requirements of the Invitation for Bids, and (ii) establish exactly what the bidder proposes to furnish and what the Government would be binding itself to purchase by making an award. The information furnished may include specific references to information previously furnished or to information otherwise available to the Department of Property and Procurement.
- (2) If the bidder proposes to modify a product so as to make it conform to the requirements of the Invitation for Bids, he shall (i) include in his bid, a clear description of such proposed modification, and (ii) clearly mark any descriptive material to show the proposed modification.
